**Each Member is required to volunteer for 6 hours per year.** Hours accumulated in current year will qualify you to remain at a lower Tier 2 price for the following year. Members who do not complete their required volunteer hours in the current year, will pay a (much higher) Tier 1 membership price the following year when renewals become available.

**For members who are unable to perform manual tasks,** there are many committees available for you to volunteer for. We urge you to volunteer for at least one committee. It is a great way to meet fellow members and folks with similar interests. Also, if you have a skill set that you are willing to volunteer your services, let us know.

**Committees Available:**
